Newsers is a free website template made for publications and other similar websites. The theme is rich with UI components oriented meticulously to offer an enhanced reading experience and a better visual appeal. Its top navigation bar comes with **a dropdown and a modal search bar**. Scrolling down, you'll find **a top story section, newsletter subscription form UI, news sliders, tabbed contents, the most-viewed section with sliders, social media links and icons, trending tags section, subscription form UI, photo gallery, back-to-top button, call-to-action buttons, on-hover effect, breadcrumbs, comment box UI, contact form UI, a 404 page, geolocation, a detailed footer with footer navigation, and many more.** The rich and well-designed theme will help you offer the required visual appeal. Additionally, with easy navigation across the page, your site will remain engaging for people of a broader range.

Free Bootstrap 5 Multi-Page Corporate Landing Page Template

Moreover, the theme's excellence is rooted in the latest frameworks, like Bootstrap 5, **HTML5 & CSS3**. Its quicker-loading pages are optimized for page speed to reduce user wait time. The theme has a clean and well-commented codebase, ensuring search engine friendliness to help you rank higher in search engine results. The thoughtfully chosen UI components are flawlessly responsive on all devices and screens, regardless of size. The multipurpose theme has fewer cross-browser bugs and remains fully compatible with all available user agents. Newsers can get you the efficiency you'd like on your publication site to ace the game. Enjoy creating!
